

AP Calculus AB Summer Assignment 2021

Hello Calculus AB students. Welcome! There is a mandatory summer assignment that you need to complete before school starts in September. This assignment will take some time so it is strongly suggested you do not wait to begin it.

Please go to Google Classroom and join AP Calculus AB Summer Assignment 2021 Classroom using the code tiwld2j.

You will find an introductory message and video, a pre-calculus review video and assignment, and seven instructional lessons and assignments that teach you the first unit of the course. If you need help with any of it please, please do hesitate to reach out to us.

Good Luck and have a great summer!
