Board Secretary

August 25, 2020

Dear 6th, 7th, and 8th Grade Marauder Families,

Welcome back to school! In a year that is sure to be unlike any other, I am reaching out to you with information that will help you and your child to navigate middle school during this time.

We have given careful consideration to our schedules, and are excited to report that we have developed an instructional plan that allows ALL students to receive live, synchronous instruction. Please find the link to your child's school day schedule in the links section below.

Families will have the opportunity to meet virtually with Mount Olive Middle School's principal, Mr. James Kramer, by grade level, on August 31 through September 2, 2020 at 5:00PM in a Parent Information Session to receive further information on our reentry plan and to ask school-specific questions. Dates for each grade level Parent Information Session are provided below.

Please note that you will receive final information via email next week when all specific re-entry plans are complete from the Mount Olive Middle School administration.

We are delighted for the 2020-21 school year to begin. I would like to personally thank the parent community for their continued patience, flexibility and support. Please know that if you have any questions about our plan or about school in general you should reach out to me directly.

In partnership,

Kevin R. Stansberry
Director of Secondary Schools
kevin.stansberry@motsd.org
