Mount Olive Middle School Families,

With the Summer coming to an end and preparations for our Fall season underway, Mount Olive Middle will be following guidance provided from the NJSIAA, and Mount Olive High School athletics department. As such, the NJSIAA released a [RETURN TO PLAY](#) plan for the 2020-21 school year. This plan is fluid and can change at any time based on guidance from the Department of Health and the Governor.

**KEY POINTS:**

- Fall sports will participate in “Season 1” beginning with practices on Sept. 14th, contests beginning Oct. 1st
- From Aug. 29th-Sept. 13th, no practices or physical contact, to allow for students to acclimate to hybrid, in person or virtual return to school

**ATHLETIC/ACTIVITY PHYSICALS FOR FALL OF 2020:**

The Governor signed [NJ BILL No. 2518](#) allows for students who submitted a 2019-2020 physical evaluation that allowed the student to participate in an MOTSD athletic team or activity, only needs to [COMPLETE A HEALTH HISTORY UPDATE](#). This bill extends the deadline for students to get a NEW physical for the 2020-21 school year until the last game of the Fall season. Please be aware of the deadline for handing in your Health History Update/New Physical and is **Sept. 11th**.
