Dear Family:

In Unit 12, Fundations® introduces students to words that have more than one syllable. I need you to encourage your child to scoop each syllable when the word is read. For example, scoop the word napkin into two syllables like this:

nap
ki

This is key in teaching a child to break down a word into its parts.

I will be working on multisyllabic words for the next three weeks.

Some words will be compound words or words that are made up of two parts. Each part can be a word by itself, for example, in the word "sunfish" - sun is a word and fish is a word.

Then, I shall work with words that have two consonants between the two vowels such as in the word "magnet" and words with closed and vowel-consonant-e syllables combined, like "reptile."

The spelling procedure used to teach multisyllabic words is very important. (See the next page for these instructions.) Yes, there are several steps, however each is important to help develop the skill of breaking a word down into its parts.

Once again thank you for all of your help.

Sincerely,
How to Teach Spelling of Multisyllabic Words

The spelling procedure used to teach multisyllabic words is very important. You may want to keep these directions handy while working with your child.

1. Hand your child two blank index cards (or any blank paper).
2. Dictate a word such as sunfish.
3. Have your child repeat the word and place a blank index card down for each syllable.
   - Your child says "sun" and puts down one blank card.
   - Your child says "fish" and puts down another blank card.
4. Next, have your child touch the first blank card and spell the first syllable s - u - n, then write the syllable saying the letters: "s - u - n, sun."
5. Next, have your child touch the second blank card and spell the second syllable f - i - s - h, then write the syllable saying the letters: "f - i - s - h, fish."

Remember to continue reading aloud to your child.

Reading can be hard work for a First Grader. Find some time just to read aloud to your child so that he or she realizes that reading can be for pleasure! Try the books listed below.

Review reading and spelling **multisyllabic words** with your child during the next 3 weeks.

Please refer to the directions for the multisyllabic spelling procedure in the letter.

**Follow These 5 Steps:**

1. Dictate the word and have your child echo the word.

2. Have your child tap out the sounds in one syllable words. Do not tap trick words (in bold).

3. Have your child name each syllable in two syllable words. Then name and write the first syllable, and name and write the second syllable.

4. Have your child tell you the letters that go with those sounds.

5. Write the letters.

**WEEK 1**

Dictate the words and sentence to your child following the 5 steps listed above.

**Do the “Match and Memory Game” Activity**

1. Write each syllable below on a blank index card.

2. Turn them over, with the First Syllables in one column and the Last Syllables in another column. **Make sure to change the order of cards in the second column.**

3. Take turns flipping over a card from the First Syllables Column, then selecting one card from the Last Syllables Column to see if you can make a word. If it matches keep the word.

4. Read all matched words.

Do the “Match Syllables” Activity

Have your child read the syllables on each side of the box. Draw a line to connect the syllables to form real words.

- sun          cake
- lap          rise
- cup          top

- pic          ball
- mis          nic
- soft         take

- sun          ic
- ath          lete
- top          shine

- dis          ment
- pave         side
- in           like

Have your child write the words above and read the words.

Do the “Read and Divide Words with Two Syllables” Activity

Have your child read the word. Have them scoop each word into syllables, then write the syllables on the lines.

- pancake = pan cake
- reptile = ___ __
- admire = ___ ___
- explode = ___ ___
- intake = ___ ___
- pavement = ___ ___
- include = ___ ___
- baseball = ___ ___
- costume = ___ ___
- bedtime = ___ ___
- panic = ___ ___
- plastic = ___ ___
- picnic = ___ ___
- topic = ___ ___
Cut words into flashcards. 1. Each night, help your child read all Trick Words from previous units, as well as these. 2. Have your child trace each new Trick Word with his or her finger and spell it aloud; and 3. Cover up the Trick Word and have your child write it with his or her finger on the table while naming each letter.
