24/7 Nurse Line	24/7 Nurse Line is a health information service that includes a toll free 24 hour health information line staffed by registered nurses. 24/7 Nurse Line nurses do not diagnose or recommend any treatment. Instead, they provide the member with the necessary health information needed to make informed medical decisions. This helps members determine if their health ailment requires a doctor's visit.

You can save money when you choose to receive care from providers that participate in the Horizon BCBSNJ networks. When you use participating hospitals or other medical facilities or doctors, you generally only pay your copayment and any applicable in-network coinsurance or deductible. Generally, if you have services performed at an out of network facility or by an out of network provider, your out of network benefits will apply. This means that you will be responsible for amounts exceeding Horizon BCBSNJ's allowable reimbursement for that particular service and this may result in significant out of pocket costs. You will be responsible to pay for this amount directly to the non-participating hospital, ambulatory surgery center or provider. By using our Horizon-BCBSNJ network providers, you keep your health care costs down.

Please note that the benefit highlights are provided for informational purposes. Horizon BCBSNJ makes every effort to provide clear and accurate information pertaining to these benefit highlights. However, because Horizon BCBSNJ generally expects continued guidance from regulators on issues pertaining to Federal health care reform, the information that has been provided is subject to change. Horizon BCBSNJ will provide notice of such changes to members pursuant to State and Federal requirements.

This summary highlights the major features of your health benefit program. It is not a contract and some limitations and exclusions may apply. Payment of benefits is subject solely to the terms of the contract. Please refer to your benefit booklet for more information.

Prescription Drug Program

The Prescription Drug Program covers FDA approved legend drugs. A prescription order from a physician is required for drugs to be eligible. Prescriptions may be refilled within one year of the original prescription date, when authorized by the physician and permitted by law. Any limitations that apply to an original prescription also apply to the refills.

The Horizon Prescription Formulary is a list of prescription medications developed by an independent Pharmacy and Therapeutics (P&T) Committee comprised of practicing physicians and pharmacists in New Jersey. The Horizon P&T Committee determines which drugs will be placed into preferred and non-preferred status within our open formulary. The priority consideration is clinical efficacy and safety, followed by other considerations such as second line therapies, and availability of commonly used and safe generics. At least two drugs from each therapeutic class are placed in the preferred status on the formulary. Once a quality review has determined that two or more drugs are equal to other therapeutic alternatives, the P&T Committee may place the most cost effective drug(s) into preferred status.

Carryover MaxSM from Delta Dental allows you to increase your benefits.

This valuable benefit feature allows you to carry over a portion of your unused standard annual maximum benefit limit into the next year, and beyond. You can accumulate part of your unused benefit dollars from a healthy year and use it for services such as bridges, crowns, and root canals.

Carryover MaxSM is easy and automatic.

- To qualify for Carryover MaxSM, you must receive at least one cleaning or one oral exam during the plan year. If you don't receive a cleaning or exam, you won't be eligible to carry over any of your benefit dollars to the following year. If you fail to do so, any accumulated carryover will be lost.
- A covered person is eligible for the Carryover MaxSM benefit if less than half of the standard annual maximum is used in the prior benefit year.
- Carryover MaxSM allows you to carry over up to 25% of the unused portion of your standard annual maximum up to a maximum of \$500. For example, if your standard annual maximum is \$1,000, and you use \$200, you can carry over \$200 ($\$800 \times 25\% = \200)
- The accumulated amount can never exceed your standard annual maximum.
- Standard annual maximum dollars are used first. Carryover MaxSM dollars are used after the standard annual maximum is met.

Delta Dental's *Oral Health Enhancement Option* enables you to receive up to four dental cleanings and/or periodontal maintenance procedures in any combination per benefit period if you have been treated for periodontal (gum) disease in the past. For the additional dental cleaning and/or periodontal maintenance procedures to be covered, you must have had periodontal surgery or periodontal scaling and planing in the past. Details on how to qualify can be found in your benefit booklet.

Over 300,000 participating dental offices nationwide participate with the national Delta Dental system, although you may choose any fully licensed dentist to render necessary services. Participating dentists will be paid directly by Delta Dental to the extent that services are covered by the contract. Non-participating dentists will bill the patient directly, and Delta Dental will make payment directly to the member. **Maximum benefit may be derived by utilizing the services of a participating dentist.**

Where the eligible patient is treated by a Delta Dental PPOSM dentist, the fee for the covered service(s) will not exceed the Delta Dental PPO maximum allowable charge(s). Where the eligible patient is treated by a Delta Dental Premier® dentist who does not participate in Delta Dental PPO or by a *Participating Specialist*, the dentist has agreed not to charge eligible patients more than the dentist's filed fee or Delta Dental's established maximum plan allowance, and Delta Dental will pay such dentists based on the least of the actual fee, the filed fee, or Delta Dental's established maximum plan allowance for the procedure(s). Claims for services provided by dentists who are neither Delta Dental Premier, Delta Dental PPO dentists, or *Participating Specialists* are paid based on the lesser of the dentist's actual charge or the prevailing fee.

Visit your own dentist. If you do not have a dentist, there is a directory available with your plan administrator listing participating dentists. You may call **1-800-DELTA-OK** and a list of participating dentists located in your area will be mailed directly to your home, or you may access our Website at www.deltadentalnj.com.

During your FIRST appointment, tell your dentist that you are covered under this program. Give him/her your Group's name, its Delta Dental Group Number and your Member ID number.

If you have any questions regarding your benefits, you may contact our Customer Service Department Monday through Thursday, 8:00 a.m. to 6:30 p.m. EST and Friday, 8:00 a.m. to 5:00 p.m. EST, at 1-800-452-9310.

This overview contains a general description of your dental care program for your use as a convenient reference. Complete details of your program appear in the group contract between your plan sponsor and Delta Dental of New Jersey, Inc. which governs the benefits and operation of your program. The group contract would control if there should be any inconsistency or difference between its provisions and the

LIFE AND ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE

WHAT IS IT?

A sudden death or accident can change everything. Life insurance together with Accidental Death and Dismemberment (AD&D) insurance helps keep you covered in case of an untimely death or accident.

If you die, your beneficiaries receive a **Life insurance** benefit to help them pay for things like:

- Burial and final expenses.
- Debts such as student and car loans and the mortgage.
- Future expenses, including college tuition, retirement savings or even elderly parent care.

AD&D insurance also pays partial benefits if you lose your sight, hearing, a limb, ability to speak and more in a covered accident. AD&D benefits are paid in addition to any life insurance you may have and can be used to pay for daily living expenses and other needs.

WHY DO I NEED IT?

With Life and AD&D insurance, you're covered in case an untimely death or accident impacts your income-earning ability. Here are a few lifestyle scenarios to show how you can benefit from coverage:

Married with kids, lots of expenses

Raising children is one of life's most cherished – and most costly – responsibilities. If you were to die tomorrow, could your family afford the same lifestyle they have today?

Single parent, multiple responsibilities

You're the sole provider, the one your kids count on. It's important to be able to care for them financially if you're no longer there to care for them yourself.

Dual income, no kids

If you have two incomes, Life insurance can help protect all you've worked hard for, as well as your spouse's ability to maintain the same standard of living as today.

Growing children, aging parents

Caught in the middle? Life insurance can help you protect your kids' financial futures, and can help you look after elderly parents.

Single and carefree

What about your car and student loans, your credit card balances and all your other bills? Who would pay off your outstanding debt when you're gone?

Case illustration: **ASSISTANCE AFTER THE UNTHINKABLE²**

Marilyn was a resourceful mother of two who was almost finished taking graduate classes at a nearby college while working full-time. Although she didn't want to think about it, she knew how important it was to have Life and AD&D insurance, and purchased it through her employer.

Driving home from class late one night, a distracted driver side-swiped her and she passed away from her injuries.

Marilyn's death was a huge loss for her family. But, because of her foresight, Marilyn's Life and AD&D policy helped. With the Life insurance payout and the additional disbursement from AD&D insurance, the family was able to afford her burial expenses, pay off her student loans and establish a college fund for her children.

One in three Americans believe they need more Life insurance¹

The ABCs of an EOB

Understanding your Explanation of Benefits (EOBs)

To make the most of your health care coverage, it's a good idea to understand how your plan pays claims and your role in the process. Horizon Blue Cross Blue Shield of New Jersey is updating the way we present your claims information on your Explanation of Benefits (EOBs). An EOB will be available up to 15 business days after the claim is processed. A single EOB may show up to 25 processed claims. Your EOB will show claims and payment information for you and covered family members. The EOB will give you a comprehensive view of the health care services you and your dependents have received.

The sample EOB here provides an overview of that information and what it means to you.

You can also view your claims activity by clicking the claim number on the *Claims* tab or download and print your EOB from Member Online Services. Or, sign up for paperless EOBs to go green and stop the mail. To register or sign in to Member Online Services, please visit HorizonBlue.com/members.

Making Healthcare Work.

HorizonBlue.com/pharmacy

Welcome to the Horizon Blue Cross Blue Shield of New Jersey Pharmacy program

Helping you take care of yourself and your family.

Horizon Pharmacy helps you get the medicine you need to feel better and live well. Our goal is to give you access to safe and effective prescription medicine.

Get the medicine you need.

At a retail pharmacy:

Choose an in-network pharmacy from more than 64,000 retail pharmacies nationwide. The network includes CVS, Walgreens, Rite Aid, Walmart, Target, other leading retailers and most independent pharmacies. You can visit HorizonBlue.com/pharmacy to use the **Pharmacy**

Finder to find an in-network pharmacy closest to you.

Using home delivery:

If you take medicine for a long-term condition, you may want to use the prescriptions-by-mail service. You can get up to a 90-day supply of medicine delivered to your door within the United States. You may visit HorizonBlue.com/pharmacy or call **1-888-844-3828**, 24/7 for information about PrimeMail®. PrimeMail is operated by Horizon Pharmacy's contracted pharmacy benefits manager, Prime Therapeutics LLC.

Keeping costs low.

A formulary, or drug list, is a list of medicine that your prescription drug plan covers. The Horizon Pharmacy program has two drug lists: Classic Formulary and Advantage Formulary. Medicine is placed in different levels or tiers, and the benefit you receive and how much you pay out of pocket depends on the tier of the medicine prescribed by your doctor.

- Generic drugs are Tier 1 and have the lowest cost sharing.
- Preferred brand-name drugs are Tier 2 and have the middle cost sharing.
- Non-Preferred brand-name drugs are Tier 3 and have the highest cost sharing.

Visit HorizonBlue.com/pharmacy to see information about our formularies.

(Over, please)

Feel better and live well.

Generic drugs are as safe and effective as brand-name drugs and are usually less expensive. Generic drugs are manufactured under the same strict requirements that the U.S. Food and Drug Administration requires for brand name drugs.

Keeping your medicines safe.

A group of doctors and pharmacists regularly look at the Horizon Pharmacy drug lists. Decisions to add or remove drugs are based on a drug's safety and effectiveness. Drugs may be moved from the middle-cost tier to the higher-cost tier when a generic becomes available.

Horizon Pharmacy works with doctors to make sure our drug lists provide them choices that cover medical conditions. We support your doctors by telling them about our drug lists and drug list changes.

Connect with us, 24/7.

By phone: You can call the Pharmacy Member Services team at **1-800-370-5088**. For home delivery, call PrimeMail at **1-888-844-3828**.

On the Internet: Online pharmacy services tools are available at **HorizonBlue.com/pharmacy**. Once your coverage is effective, you can create an online account to check benefits, review paid claims, look up medicine and pricing on the drug list, learn how to save money on medicine and read about health care topics.

Horizon Pharmacy contracts with Prime Therapeutics LLC, collectively owned and led by Blue Cross and Blue Shield plans across the country, to administer Horizon Pharmacy. Prime is the pharmacy benefits manager of choice for many Blue Cross and Blue Shield plans, serving 21 million members.
